

Mirror Films

MACal 1000 Series

The brilliant choice!

The Mactac 1000 series are mirror films designed for medium-term interior and short-term exterior marking applications. They offer a unique, smooth and 'mirror-like' finish in silver and gold - visible from both sides. It means that these materials can be used when you need to add an element of glamour to glass window surfaces, and for top-of-the-range luxurious decoration.

MACal 1069-02 Silver & 1079-02 Gold are mirror-like self-adhesive films that also deliver quick and straightforward cutting with most plotters, and fast weeding including small letters and fine details.

Key features

- Available in gold and silver
- Deep, appealing metal look on both sides
- Flat, stable media with excellent dimensional stability during cutting and weeding

Advantages

- Trouble-free computer cutting and fast weeding, even for small letters and fine lines
- An easy way to add real glamour and sparkle with an unique metallic finish.
