

JT 6710 CG-RT PET

Clear Removable Brilliance, Sustainably

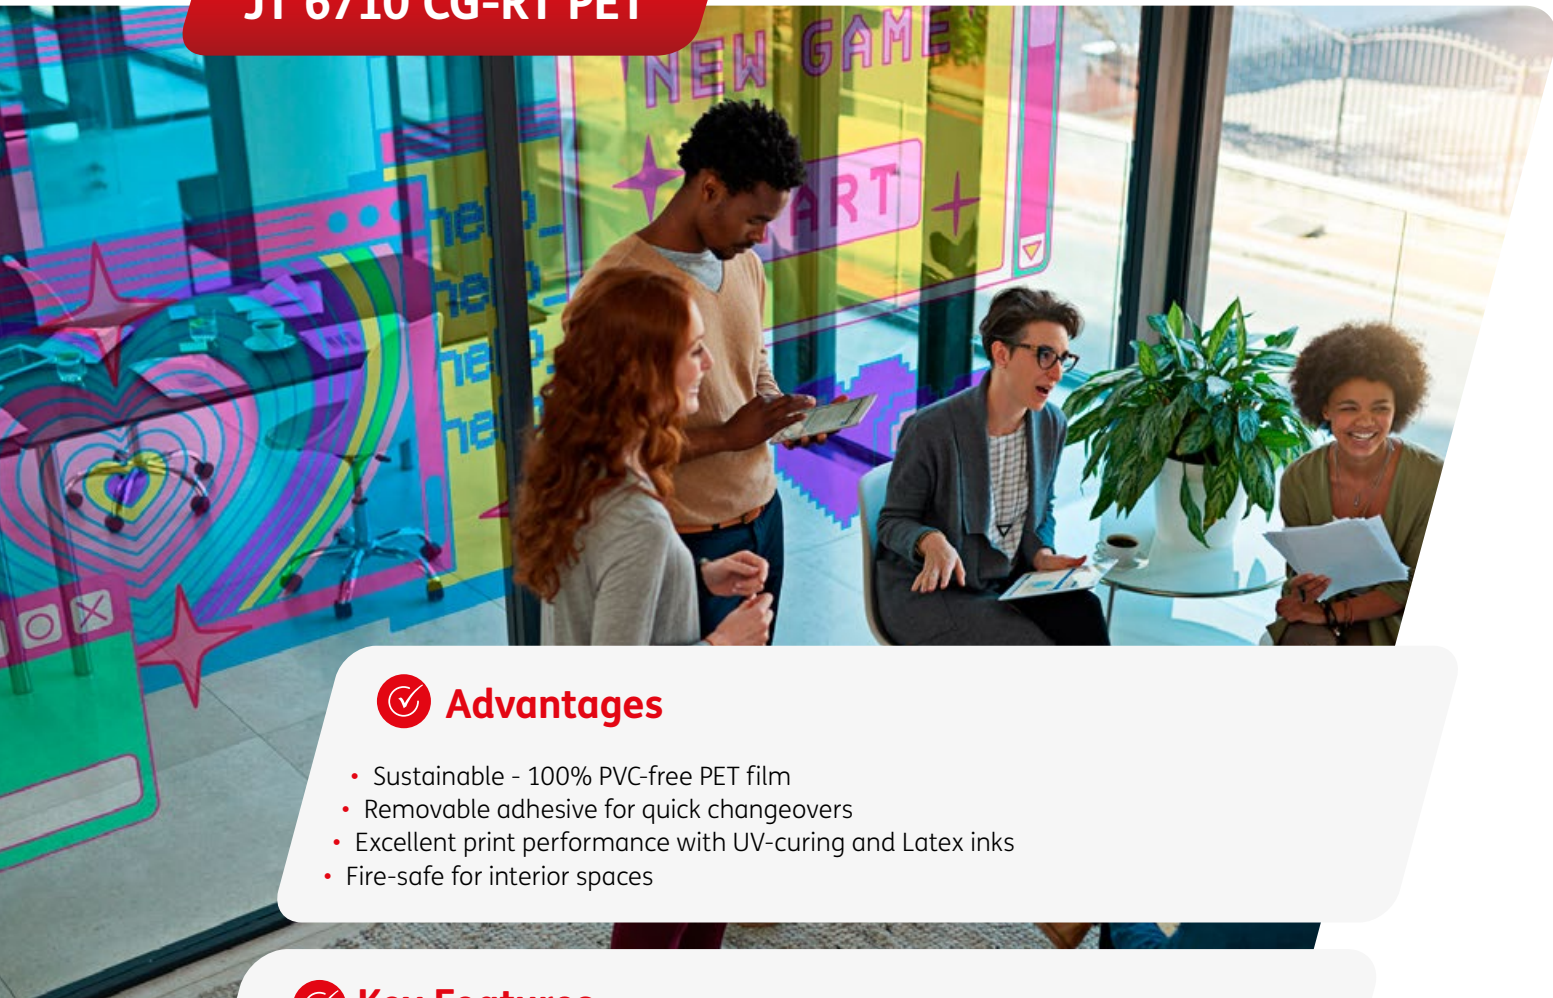

Faster installation without contour cutting. The stunning clarity of JT 6710 CG-RT PET makes transforming graphics easy on any window or glass partition. It's a reliable way to boost the power of your designs, making them stand out more.

Digitally printable JT 6710 CG-RT PET is an ultra transparent and PVC-free solution - a great match for Latex and UV curing inks. This film's adhesive technology also means that you can easily remove your eye-catching graphics for up to a year after application.

JT 6710 CG-RT PET can be applied on an entire window. There is no need for contour cutting because the film's unprinted areas give you the transparency you need.
